New Program Features

• Factory Plus

By selecting Factory Plus, the term start date is deferred to AFTER the manufacturer warranty expires.

• Branded Title Eligibility

Vehicles that have sustained significant damage and have been deemed a total loss are eligible for coverage. Restorative repairs must be completed prior to sale.

• Battery Coverage

Coverage for Electric Vehicles now includes drive battery pack.

• Ultimate XT Wrap Plus

Standard wrap coverage during the manufacturer's powertrain warranty. Powertrain components listed under XT-1 become eligible for coverage for the remainder of the Xtensive term once the manufacturer's powertrain warranty has expired.
